

Travel Allowance Application Form

Reimbursement Eligibility

1. *Public Transportation*

This scheme only covers the public transportation expenses of MTR, Light Rail, franchised buses, green minibuses, designated routes of red minibuses, ferries, trams, kaitos, and non-franchised buses providing residents' services approved by the Transport Department.

2. *Eligibility*

It is our principle that fares incurred by commuting between the student's residence and the University should be borne by the students. This scheme seeks to provide travel allowance to students whose travel expenses from the residence to local internship host exceeds expenses incurred in travelling from the residence to the University, under the following conditions:

For the entire internship period, if the total cost of fares incurred between the student's residence and the hosting agency exceeds the total cost of fares incurred between the student's residence and the University by HK\$100 or more, the student is eligible to apply to the Industrial Attachment Office for reimbursement of the difference, subject to final endorsement by the Director of Industrial Attachment. The maximum amount of reimbursement is HK\$500.

Application Procedures

1. *Submission of the Form*

Students applying for traveling allowance are required to complete the Travel Allowance Application Form and submit to the Industrial Attachment Office within 2 weeks after the placement/internship period.

2. *Review and Approval*

The completed Form will be sent to the Departmental Industrial Attachment Coordinator for review and approval. If approved, the Industrial Attachment Coordinator will countersign the form and return it to the Industrial Attachment Office.

3. *Endorsement and Reimbursement*

The Director of Industrial Attachment will review and endorse the successful applications. The Industrial Attachment Office will notify the successful applicants via e-mail to collect the allowance (normally within 4 weeks after the deadline of submission). Uncollected reimbursements will be withdrawn 4 weeks after the date of notification.
